

# TALMAR

## “Horticulture program approved for treatment of Veterans”

Each of TALMAR Gardens veteran farmers, have an incredible sense for nutrition, health, nature, and organic agriculture. Some, like Charles Alexander, even dream of involving the neighborhood in their community gardens.

TALMAR' could not be more proud to have this farm visionary in their Breaking New Ground program. If you have a moment, you can view Charles's interview with ABC 2 News below.

### [Veterans are "Breaking New Ground" through Therapeutic Horticulture](#)

Clay McNally, Chairman at TALMAR Gardens and Financial Consultant here at Synergy Financial Group, is active in The Horticultural Therapy program at TALMAR Gardens, where Charles received farmer training as part of the program. Through The Horticultural Program and TALMAR, Clay is able to help to develop and assist PTSD and TBI veterans get back into the workforce.

If you are interesting in volunteering, check out the TALMAR website here: [talmar.org](http://talmar.org)

Synergy Financial Group, TALMAR Gardens and LPL Financial are separate entities.
