

Thank You

BALTIMORE OUTREACH SERVICES

On Saturday, April 22nd the Baltimore Outreach Services held their annual fundraising event, the New Beginnings Gala. The Gala is their signature event for the year and raises 10% of the funding required to provide housing, education, jobs and the opportunity for a better life for the women and children in the shelter. Your support helped make this year's Gala a tremendous success. It was an elegant evening with over 230 guests, delicious hors d'oeuvres and dinner, and great live entertainment by local band Roses n' Rust, including Synergy Financial Group Co-Founder, Steve Spurrier with his daughter Claire Spurrier. The revenue is still coming in, but we know that the Gala will raise over \$100,000 this year!

A special thank you to all who attended and supported the event.
